Royal Flush! (Indicating audience member.) And they dare to say your book is a tissue of lies!

Poet Laureate of Hallmark Greeting Cards and author of "Love is a Special Kind of Specialness" — Emily Lloyd-Twee [Everett Lloyd-Twee if a man.] (FRANKIE greets her.) It's so nice to know you care enough. (Going on to the next JUDGE.)

Fresh from her appearance on "Oprah" where she told the tragic story of her 20-minute love affair with Elvis Presley — Cheryl Willa Klime! (FRANKIE greets her.) You're even lovelier in person. (Moving to a WOMAN.)

Her nation-wide crusades have made her a household word — the author of *Hello, God, You Don't Know Me But...* — Mary Beth Clawhammer! (Greeting her.) I'm halfway through your book and I think it's divine. (Introducing the next JUDGE, preferably a bald man.)

And last, but certainly not least, Herbert Fleck — hero to millions for leading the class-action suit against the manufacturers of "Rub-and-Grow Hair Fertilizer"! (Winding up.) Let's hear it, ladies and gentlemen, for our distinguished beauty panel!

(Applause and music tag.)

FRANKIE. (cont.) The contestants will compete in the following categories: evening gown, talent, swim-wear, physical fitness and beauty-crisis counseling. Plus — each girl will participate in our Spokesmodel Competition, to demonstrate her ability to speak effectively about the Glamouresse line. And now to kick off the Spokesmodel spots, here's Kitty-Bob Ames — Miss Texas!

(FRANKIE exits.)

(MUSIC #5 — SPOKESMODEL #1)

(MISS TEXAS appears in the "Spokesmodel Spot" wearing a frilly make-up smock, which the other CONTESTANTS will also wear.)

→ **MISS TEXAS.** Day in, day out, morning, noon and night, rush, rush, rush. C'est la vie for us modern women on the go, isn't it? And sometimes we don't even take the time for a snack, let alone a

balanced meal. But, quelle surprise, once again it's Glamouresse to the rescue. They created LipSnack, color and calories in one attractive cylinder. (Displaying a painter's palette featuring the different shades.) Available in twenty-seven shades and flavors, from Roast Beef Red to Poached Salmon Pink. (Opening an enormous lipstick.) Now, simply apply as you would any common ordinary lipstick and then just taste the difference — Yum! And a single application of LipSnack contains twice the iron in a pound of calves liver. It's the prettiest protein you'll ever eat. Naturellement, from Glamouresse.

FRANKIE. Thank you, Miss Texas, for setting such a high standard for the Spokesmodel Competition. Now let's see all our contestants compete in Evening Gowns — the perfect opportunity for me to tell them how I feel about them, not just as contestants, but as people.

(MUSIC #6 — "SOMETHING EXTRA")

(MISS DEEP SOUTH, MISS GREAT PLAINS and MISS WEST COAST enter one at a time in their evening gowns as FRANKIE sings the first verse.)

FRANKIE. (cont.)
YOU'VE GOT LOOKS
I MEAN A LOT
AND WHO COULD MEASURE ALL THE TALENT THAT
YOU'VE GOT
YOU'VE GOT CHARM
AND YOU'VE GOT GRACE
AND ALL YOUR INNER BEAUTY SHOWS UP ON YOUR FACE
YOU'VE GOT EVERYTHING YOU NEED FROM A TO Z
YOU'VE GOT IT ALL
PLUS SOMETHING EXTRA

(During the next verse, MISS BIBLE BELT, MISS INDUSTRIAL NORTHEAST and MISS TEXAS enter one at a time.)
